Anarchy, under the more or less euphemistic name of Night Riders, continues to assert its presence in Kentucky. No matter what the causes leading up to the revolt of tobacco growers were, no possible good can ever come from defiance of law and order. It looks as if drastic action to stamp out so malignant a form of disrespect for law can not be taken too soon.

The town of Hindman, with a population of less than one-third of that of Jackson, and forty miles from a railroad, has a first-class electric light plant and the streets, business houses and residences are lighted. Hindman is considering street paving. Jackson is located on a railroad and for some reason is unable to get the light plant operated or the sidewalks kept in repair or the mud carted off of the macadamized streets. Business opportunities here are 75 per cent better than at Hindman, yet Hindman is ahead of Jackson in some respects.

Mrs. Bettie Mason, of Berea, has accepted a position as trimmer in M's Abbie Bailey's millinery store.

J. R. Blake will have a new ad next week.

### Successful Convention.

The Breathitt County Sunday school Association met in a highly successful convention in the Christian church in Jackson on last Saturday and Sunday. Delegates and visitors from every Sunday school of all denominations in the county were invited and a large attendance was the result. The principal speaker, State Field Worker W. J. Vaughan was full of excellent ideas on the work and illustrated one of his talks with stereopticon views.

The president of the association, Rev. G. H. Drushal, Ph. B., of the Riverside Institute, Lost Creek, fulfilled his duties as chairman without a hitch, giving life and go to every session.

The new officers elected are as follows: President, Rev. G. E. Drushal; Vice President, Rev. C. M. Summers; Secretary and Treasurer, H. H. Gibson, Jackson; Superintendent Education, Miss Mary Lewis; Superintendent Visitation, Pearl Combs; Superintendent Organization, Rev. P. O. Dethick; Superintendent Elementary Grade, Mrs. G. W. Fleenor; Supt. Intermediate Grade, Dr. C. B. Dickson; Superintendent Adult Grade, W. W. McGuire.

These officers through the district officers of Frozen, Jackson and Lost Creek districts will at once proceed to get in close touch with each school in the county to help them in every way possible. Breathitt county is now in the banner list of Sunday schools in the State of Kentucky.

H. H. Gibson, Cor. Sec.

### Cannel City Beginners.

A gay crowd of about 85 ladies and gentlemen, escorted by Everett Back and Alex Snowden, came up on a special train from Cannel City Wednesday night and enjoyed themselves at the rink until 10:30 o'clock when they left for home. A number of people who had been out to welcome them, but as the rink was open for the Cannel City people only for the purpose of instructing the beginners, who are preparing for the opening of the rink at that place next month, no one but the visitors was allowed to skate. We are glad to have these good people visit us.

### God's Mere Pleasure.

There is nothing that keeps wicked men at any one moment out of hell, but the mere pleasure of God. By the mere pleasure of God, I mean his sovereign pleasure his arbitrary will, restrained by no obligation, hindered by no manner of difficulty, any more than if nothing else, but God's mere will, had in the least degree, or in any respect whatsoever, any hand in the preservation of wicked men one moment.

But the foolish children of men miserably delude themselves in their own schemes, and in confidence in their own strength and wisdom; they trust to nothing but a shadow. The great part of those who heretofore have lived under the same means of grace and are now dead, are undoubtedly gone to hell; and it was not because they were not as wise as those who are now alive, it was not because they did not lay out matters as well for themselves to secure their own escape. If we could come to speak with them and inquire of them, one by one, whether they expected, when alive, and when they used to hear about hell, every to be the subjects of that misery. We doubtless should hear one and another reply. "No I never intended to come here; I had arranged matters otherwise in my mind; I thought I should contrive well for myself; I thought my scheme good. I intended to take effectual care; but it came upon me unexpectedly; I did not look for it that time, and in that manner; it came as a thief. Death outwitted me; God's wrath was too quick for me. O my cursed foolishness! I was flattering myself, and pleasing myself with vain dreams of what I would do hereafter; and when I was saying peace and safety, then sudden destruction came upon me."

Therefore, let every one that is out of Christ, now awake and flee from the wrath to come. The wrath of Almighty God is now undoubtedly hanging over every unregenerated sinner. Let every one flee out of Sodom: "Haste, and escape for your lives, look not behind you, escape to the mountain, lest you will be consumed." HAYDEN SIZEMORE.

Henry C. Hurst went to Mt. Sterling Monday.

He states that such symptoms as lame back, pain in the side, frequent desire to urinate, especially at night; painful and discolored urination, are readily overcome. Here is the recipe; try it:

Fluid Extract Dandelion, one-half ounce; Compound Kargon, one ounce; Compound Syrup Sarsaparilla, three ounces. Take a teaspoonful after each meal and at bedtime.

A well-known druggist here in town is authority that these ingredients are all harmless and easily mixed at home by shaking well in a bottle. This mixture has a peculiar healing and soothing effect upon the entire Kidney and Urinary structure, and often overcomes the worst forms of Rheumatism in just a little while. This mixture is said to remove all blood disorders and cure the Rheumatism by forcing the Kidneys to filter and strain from the blood and system all uric acid and foul, decomposed waste matter, which causes these afflictions.
